* The Interlude begins here each time. When sung after verses 2, 5, and 8 the beginning of the Interlude and the last measure of the verse are one and the same.

** Rehearsal numbers & letters correspond to the verse number and subsequent REFRAIN (1A, 2A, etc.)

*** Last time only: bells may shake this chord, restriking it as brass, organ and choir release. Allow the chord to sound for at least 5 seconds before dampening.
